

For Immediate Release

**ANTHONY B. DAVIDOW OF INDEXIQ
TO PRESENT AT THE SUPER BOWL OF INDEXING®**

*Firm's Senior Vice President and Head of Distribution
to Speak on "The Institutional Investor and ETFs"*

NEW YORK, (December 3, 2008) – Anthony B. Davidow, Senior Vice President & Head of Distribution at IndexIQ (www.indexiq.com), will speak at the 13th annual The Super Bowl of Indexing® Conference as part of a panel on "The Institutional Investor and ETFs," it was announced today.

The Super Bowl of Indexing® is regarded as one of the investment industry's most prestigious events, with over 800 investment professionals expected to attend this year. Attendees to the invitation-only conference include senior-level executives from public and private plan sponsors, fund managers, financial advisors and planners, and traders, index and service providers, as well as researchers and academics. The 2008 event is being held on December 7-10 in Phoenix, Arizona.

With more than 25 years experience in the financial services industry, Davidow is a frequent speaker on investing trends and opportunities. At the Super Bowl of Indexing, he will discuss the use of sophisticated, rules-based indexing products in institutional portfolios.

"Institutional investors, family offices, and high net worth investors are all demonstrating a high level of interest in index-based hedge fund replication techniques," said Davidow. "Our panel will be looking at opportunities in this emerging asset class, as well as in related investment areas including separation of alpha and beta and the latest thinking on core/satellite strategies as they pertain to hedge funds."

IndexIQ is a leading developer of innovative alternative investment products that combine the benefits of traditional index investing with the risk-adjusted performance potential

sought by the best active managers. A pioneer in hedge fund replication, IndexIQ launched a full suite of investable index-based solutions in early 2007.

About IndexIQ

Based in Rye Brook, New York, IndexIQ is the leading developer of index-based alternative investment solutions that combine the benefits of traditional index investing with the alpha potential sought by the best active managers. The company's philosophy is to democratize investment management by making institutional class investment strategies available to all investors in low cost, liquid, transparent and tax-efficient products. IndexIQ strategies are marketed through the company's proprietary investment products and select partnerships with leading global financial institutions.

Additional information about the company and its products can be found at www.indexiq.com.
